

New Sensor Line Card

Safe, Seamless, Reliable

The power behind **your mission**

Johnson
Controls 

Advanced Sensor Solutions

New sensor line card

Complete sensor line card with active and passive sensors. Modbus and BACnet communication protocols provide seamless, fast, and reliable integration into Building Management Systems.

Higher quality

Improved technical design encompasses higher quality and an advanced accuracy of the measurement value.

Safety improvements

Includes a complete solution for healthy environmental conditions and safe use in commercial and light commercial applications.

Key Benefits

Higher protection

Higher protection class with most sensors, IP65 available, safe usage

Easy to install

Easy to install and easy to connect thanks to the "one page installation guide"

Warranty

High quality with 5 years warranty

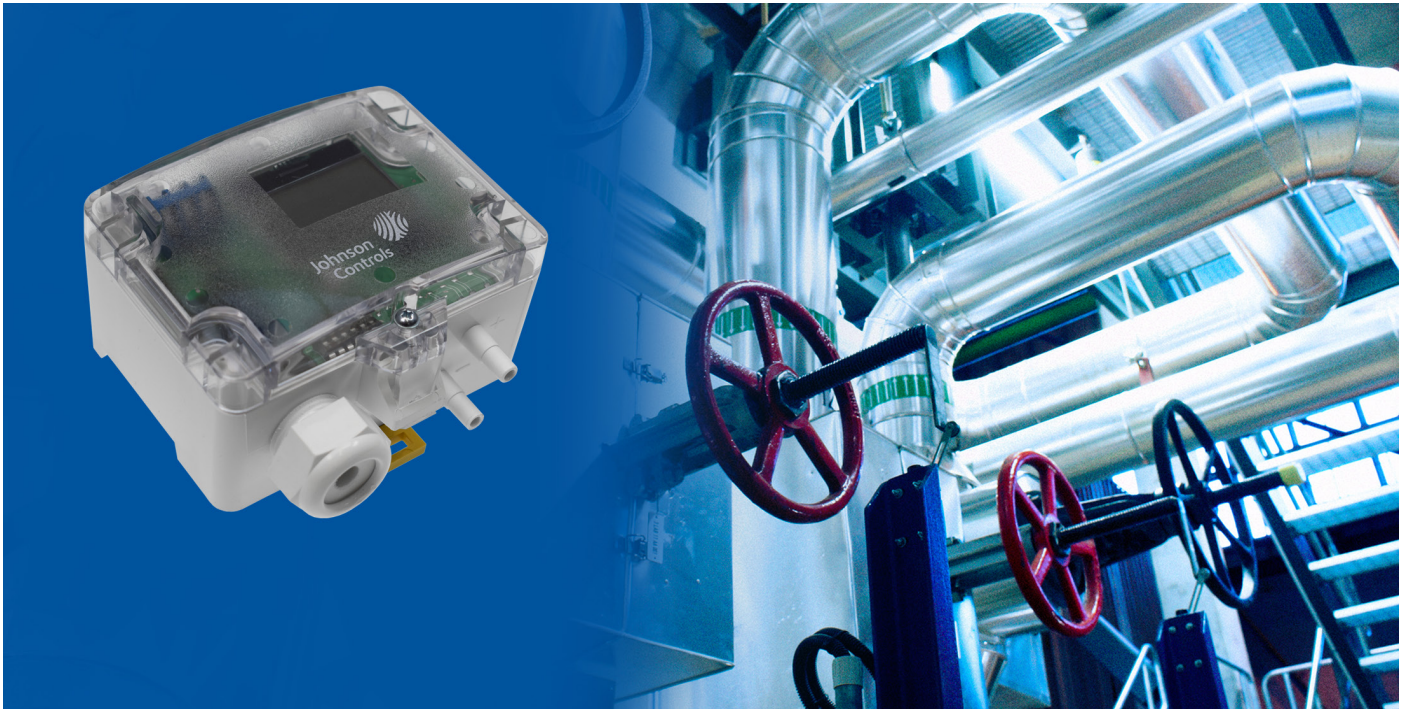

Complete offering

One-Stop shop. Reduce your carbon footprint by eliminating deliveries from multiple vendors

Direct access

Seamless integration into BMS with Modbus and Bacnet communication protocols allows direct access to the application data and a easy commissioning and parameterization of the sensors

Differential Pressure

Differential Pressure with Display

Carbon Dioxide Duct

Carbon Dioxide Room

Humidity Duct

Humidity room

Plant Temperature Cable

Analog Room Sensor

About Johnson Controls

At Johnson Controls, we transform the environments where people live, work, learn and play. From optimizing building performance to improving safety and enhancing comfort, we drive the outcomes that matter most. We deliver our promise in industries such as healthcare, education, data centers, and manufacturing. With a global team of over 100,000 experts in more than 150 countries and over 130 years of innovation experience, we are the power behind our customers' mission. Our leading portfolio of building technology and solutions includes some of the most trusted names in the industry, such as Tyco®, YORK®, Metasys®, Ruskin®, Titus®, Frick®, PENN®, Sabroe®, Simplex® and Grinnell®.
